

BUILD YOUR DREAM HOUSE WITH US

At **Keycon**, we are committed to providing an exceptional journey for our customers. With almost 45 years of combined industry experience, our mission is to ensure that we are providing the residential construction market with the best possible value proposition. As the living habits of today's customers have evolved, we have included a high level of quality finishes in our standard inclusion to suit every customers expectations. Our Directors, together with our experienced construction team, expertly hand build our customers' custom designs to the highest quality. There are no custom designs refused. Getting you into the home you desire at a reasonable cost without compromising on quality, is important to us. The costs that we provide are fixed upfront with no hidden costs, too you can have a peace of mind and not need to worry that there will be unwelcome surprises along the way.

Wait no longer. Contact one of our Sales Consultants to make an appointment to discuss how we can assist you. Take the first step to make your dream home come true. The first step to get **"the KEY to your home"**.
